

THE
SALVADOR
DALÍ

SCULPTURE COLLECTION

DeMontfort
Fine Art

Spanish artist Salvador Dalí is one of the most celebrated surrealist artists of the 20th century, made famous for his technical skill, experimental practice, and highly unusual subject-matter.

We are delighted to announce that we have secured **exclusive access** to

THE SALVADOR DALÍ SCULPTURE COLLECTION

IN THE UK

This collection of bronze limited edition sculptures, based on the original models and maquettes created through a collaboration with Dalí and the foundry Perseo Mendrisio in Switzerland, are internationally renowned, and have been exhibited and collected worldwide.

THE
SCULPTURE
COLLECTION OF
SALVADOR DALÍ...

complements the paintings and graphic works, and exemplifies both
his surrealist vision and his philosophy of art and life.

DALÍ SEAMLESSLY TRANSITIONED...

ideas from his paintings to his sculptures. The collection draws from such masterpieces as *The Persistence of Memory*, *St. George and The Dragon*, and *Drawers of Memory* to create his breath taking bronzes which are highly sought after by art collectors worldwide.

“THE DIFFERENCE BETWEEN FALSE
MEMORIES AND TRUE ONES IS THAT
IT IS ALWAYS THE FALSE ONES THAT
LOOK THE MOST REAL, THE MOST
BRILLIANT.”

A stylized signature 'Zab' with a crown on top of the 'Z'.
